ONCE UPON A TIME AT CROWIES PLACE - THE STORY OF OUR CENTER

Once Upon a Time at Crowies Place

The Beginning of a Journey

Once upon a time, in the heart of the Western Cape, there lived a woman named Sharon Crowie. From the very moment she could walk, Sharon was drawn to the world of children. Her gentle nature and calming presence made her a natural guardian, but beneath this soft exterior was a fierce protector, especially when it came to her family and the children she loved so dearly.

Sharon's journey into childcare began humbly. She gained experience working for a day mother, where she discovered the joy of nurturing young minds. This passion led her to study Early Childhood Development, where she flourished, and soon, she found herself working at various creches. Among the many little ones she cared for, Sharon's heart was particularly captured by the 3 and 4-year-olds. Their boundless curiosity and endless questions filled her days with laughter and purpose. She loved teaching them about colours, shapes, and all the small wonders of life at that tender age.

In 1999, Sharon and her husband Adrian received the most precious gift of all, a baby boy named Daniel. Their lives were forever changed by his arrival, and their hearts were full. Just a few years later, in early 2003, Sharon made the difficult decision to stop working to care for her aging parents, whose health was rapidly declining. Life had a way of surprising them, and just a month after making that decision, Sharon discovered she was expecting another child. Their joy doubled as they awaited the arrival of their daughter, Nikita, who completed their little family.

Six months after Nikita was born, Sharon felt a tug in her heart. With her parents to care for and two young children at home, she began looking after a few neighbourhood children to earn a little extra money. What started as a small, home-based effort quickly grew into something much more.

This was the beginning of Crowies Place CC, a place where children were not just cared for but cherished. Crowies Place CC never needed flashy advertisements or marketing campaigns. It grew naturally, as word spread from one satisfied family to another. Sharon's loving care and dedication to the children became well-known, and soon, Crowies Place CC was thriving.

As Daniel and Nikita grew up and embarked on their own adventures, Sharon knew it was time to take Crowies Place CC to the next level. With years of experience behind her and a heart full of love, she was ready to expand her vision. Crowies Place CC became more than just a safe haven for children; it was a place where young lives were shaped, and dreams were nurtured.

From Grade 1 to Grade 7, children found a second home at Crowies Place, where they could learn, grow, and be loved. And so, with a heart full of purpose, Sharon set out to make Crowies Place CC a beacon of hope and nurturing for every child who walked through its doors.

A Vision of Love and Growth

At the heart of Crowies Place CC lies a vision, a dream that Sharon has carried with her from the very beginning. This vision is simple yet profound: to create a nurturing and empowering environment where every child is cherished, supported, and encouraged to flourish into their unique God-given potential.

Sharon envisions a future where each child who steps into Crowies Place CC feels safe, valued, and inspired. She dreams of a place where learning is a joyous adventure, and every child's individuality is celebrated. In this future, Crowies Place CC is not just a centre for aftercare and tutoring, it is a sanctuary where children can grow into the best versions of themselves.

The Mission of Crowies Place CC

With a clear vision in mind, Sharon also established a mission to guide every action, every lesson, and every interaction at Crowies Place CC. The mission is rooted in love, respect, and a deep commitment to each child's well-being. At Crowies Place CC, the mission is to provide holistic education and support to every child. Sharon believes that for a child to truly thrive, they must feel loved, safe, and free to express themselves.

To this end, Crowies Place CC offers certified counselling and coaching services, designed to cultivate a love for learning, a strong sense of self-worth, and the development of Biblical principles that will guide them throughout their lives.
